Network for Enhancing Teacher Quality (NET-Q) Residency Information

Program Details
- Ten (10) Teacher residents in Special Education (Elementary, Middle, or High School)
- Ten (10) Teacher residents in Science (Middle, or High School)

Teacher Residents:
- are paid a stipend of $25,000 through the school district in which they are a teacher resident
- are ensured a job with that school district in a high-need school when the Teacher Residency Program is completed
- will be accepted into the appropriate Georgia State University (GSU) teacher training programs and will complete coursework towards a master’s and teacher certificate within 18 months
- will receive infusion of Special Education, ELL strategies, technology, and literacy across the content areas in their GSU teacher training courses
- are placed for a full year with a qualified mentor teacher in a high-need school in the area of special education
- will be provided continued induction through professional development after completion of program
- must commit to a three-year service obligation at a high-need school in the area of Special Education, Science, or Math

Minimum Eligibility:
Applicants for the NET-Q Teacher Residency program must:
- Provide proof of U.S. citizenship or be a permanent resident
- Must meet all GSU application requirements* and complete a College of Education application
  *GSU application requirements can be found at http://education.gsu.edu/oaa
- In addition to the GSU application, NET-Q Teacher Resident applicants must:
  o Have a minimum 3.0 undergraduate GPA
  o Complete a NET-Q Teacher Residency application* (see next hyperlink)
    * GSU Priority Application Deadline is February 1
  o Complete an interview with the selection committee

Link to NET-Q application:

If you have questions about the residency, contact Dr. Day Patterson at dspatterson@gsu.edu (Special Education) or Dr. Joe Feinberg at jfeinberg@gsu.edu or Dr. Alyssa Dunn at adunn12@gsu.edu (science).
